Our Bethel high school students just returned from a week at Outlaw Ranch in Custer, South Dakota. During the week, they hiked, rode horses, biked trails, did Bible studies and spent a lot of time just being together—laughing, talking, and encouraging each other through new experiences. But what stood out the most wasn't the scenery or the activities (though both were amazing)—it was the way these students showed up for each other. They listened, supported, and created space for one another to be real. By the end of the week, they were more like a family than just a group of friends. It was beautiful to watch them grow—closer to each other, and closer to God. As their leader, one of the moments that stuck with me most was hearing them belt out worship songs together on the drive. No stage, no spotlight—just honest voices and open hearts. Those are the kinds of moments that stick with you. Those are the kinds of moments where you see God in action.

Our students aren't just the future of the church. They are the church. And God is doing something real and lasting in them. Thank you, our church family, for making this possible. Your support—through prayer, encouragement, and giving—helped send not only these students, but also our younger ones, to Sky Ranch, where they had their own incredible experiences.

Thank you, church family, for believing in them and walking alongside them.

We are continuing in the Book of Jeremiah this month! Here is a little trivia!

WHY DID JEREMIAH THINK HE WASN'T QUALIFIED TO BE A PROPHET OF GOD?

Answer: because he was a child
 Jeremiah 1:6 says, "Then said I, Ah, Lord God, behold, I cannot speak for I am a child". It is thought that Jeremiah may have been around 20 years old.
