BLESSed: Believe, Love, Educate, Serve, and Share

What does it mean to be blessed? If you look at the world around you, turn on TV, or spend much time online, you might think it has something to do with stuff - big houses, big families, big trucks, and big bank accounts.

Christians think very differently about what it means to be blessed. Jesus once preached a famous sermon on the mount where he called all kinds of people "blessed" who were not traditionally seen that way: the poor, the meek, the hungry, and others. Jesus says they have something that money could never buy: they have faith in God!

So, what do our lives look like when we are blessed? We are blessed to be a blessing for others! So, we **believe** in God's incredible promises. We **love** God and our neighbors. We pass on the faith to future generations through **education**. We **serve** our neighbors. And we **share** the resources God has entrusted to us.

In the coming weeks, you are going to hear more about how we are blessed to be blessings together in and through the ministries and mission of Bethel Lutheran Church. Your offerings make these ministries possible. In 2026, we will invest those offerings in the following areas so that we can continue to share the incredible blessings of God:

- **Blessed to Serve: Maintaining Ministry Excellence** – We will keep up with rising costs and demands on our amazing people and property.
- **Blessed to Grow: Investing in the Next Generation** – We will invest in our growing middle school, high school, and young adult ministries by hiring a new staff member to focus on these age groups.
- **Blessed for Tomorrow: Strategic Planning for the Future** – We will work with professional ministry consultants to imagine, plan, and collaborate to meet the needs of our growing community in 2026 and beyond.

To accomplish this, we will again invite individuals and families to make a commitment for their offerings in 2026 by filling out a statement of intent. On "BLESSed Sunday," November 23, we will celebrate together as we return our statements of intent.

It is such privilege to serve God alongside this congregation. You are a blessing to this church and I can't wait to see what we can do together in 2026!

DID YOU KNOW?

Genesis contains two different stories of the creation of humans.

Genesis 1 says God created humans who merely appeared at his insistence. But in Genesis 2, God forms a man (Hebrew: Adam) out of dust and breathes life into him.

God's work. Our hands.
